

RECEPTION AUTUMN HOMEWORK

DAILY TASKS:

- Read aloud to an adult and answer the comprehension questions so they can sign your reading record. Remember this can be a few pages at a time not a whole book in one sitting.
- Sound out and blend your green words. These will gradually build up over the term as we learn more phonic sounds. Once you can sound them out consistently, cut off the sound buttons and practise reading them on sight and writing them down. Focus on a few words at a time.
- Doodle Maths - complete your questions of the day (October half term onwards).

COMING UP THIS TERM:

Click this link to see our curriculum maps and knowledge organisers for this term.

EXTRA OPPORTUNITIES:

- Talk to different family members about where they were born and where they grew up. Can you find any photos of different family members when they were babies? What was school like for them? (Autumn 1)
- What special celebrations and events do you celebrate with your family? Do you celebrate any that we are learning about? Do you have any photos you can share? (Autumn 2)

VALUES:

These are our values this term. You can discuss them with your family at home and then share your values learning with your teacher. This could be through a conversation, photos, drawings, writing or any creative way you choose.

September - respect

October - belonging

November - honesty

December - kindness

Class teachers regularly monitor children's home learning, choose a 'Home Worker of the Week' and reward those engaging well using house points. If you complete extra opportunities remember to upload them onto Tapestry as we would love to see them and hand any physical copies of work to your child's class teacher.
