

YEAR 4 AUTUMN HOMEWORK

DAILY TASKS:

- Read aloud to an adult and answer their comprehension questions so they can sign your reading record. Remember this can be a few pages at a time not a whole book in one sitting.
- Spelling Shed - access your weekly assignment and practise your words.
- Doodle Maths - complete your questions of the day.
- Times Table Rock Stars - use the 'Garage' to practise and progress through the tables. Aim to turn your heatmap green!

COMING UP THIS TERM:

Click this link to see our curriculum maps and knowledge organisers for this term.

EXTRA OPPORTUNITIES:

- Download Duolingo to help you learn French words and phrases.
- Research the Ancient Romans' lifestyles, how are they different to your daily life?
- Research how you use electricity in your home. What would you miss if you had no electricity?

VALUES:

These are our values this term. You can discuss them with your family at home and then share your values learning with your teacher. This could be through a conversation, photos, drawings, writing or any creative way you choose.

September - respect

October - belonging

November - honesty

December - kindness

Class teachers regularly monitor children's home learning and reward those engaging well using house points. If you complete extra opportunities remember to bring them to school as your class teacher would love to see them.
